“Live the Gospel, Change the World.” This purpose statement was adopted by the congregation several years ago following an in-depth planning process based on the Acts of the Apostles. We have a strong purpose statement to help us set our direction.

At the same time we adopted our purpose statement, we also adopted six guiding principles. During the last year, I have been reflecting more on the relationship between the first two of those principles: “Jesus is Lord and Savior” and “We welcome all.”

Living with both of these guiding principles at the same time is proving to be a big challenge.

In our increasingly secular and religiously pluralistic society, fewer are willing to say Jesus is Lord and Savior. Fewer are living by this gospel.

In addition, churches are not known widely for welcoming all. Christians are often assumed to be

anti-women, anti GLBTQ people, anti-immigrants, anti-Muslims, and anti-intellectuals. Instead of being known for whom they welcome and include, Christians are often known for whom they shun and exclude.

Christians are not known for being welcoming of all and those who welcome all often want to have nothing to do with Jesus and especially nothing to do with the church, the followers of Jesus.

MacArthur Park Lutheran Church and School faces a challenge in moving forward, but I think the challenge is exciting because the challenge is central to the gospel. The path may not be easy for us but I think we are on the right course.

I sense a desire by many people to be spiritual and loving at the same time. People also want to make a difference in a changing world. MacArthur Park Lutheran Church and School offers a community where people can be spiritual and loving, a community where people can help change the world.

As I leave for a two-month sabbatical in September, I hope all of you will rally around your staff and new council and Live the Gospel and Change the World.

Peace,
Pastor Paul

MacArthur Park Lutheran School

Happy fall! School is in session and we are going strong. We have 60 children enrolled and have 11 employees. We are still accepting applications and looking to hire 2 employees. For the first time in several years, we have two classes of the same age. There are 2 two-year-old classes and we have space for additional students in each of these classes. We are looking forward to a great year.

Our biggest fundraiser is coming October 1, our annual rummage sale. We have been very blessed to receive donations throughout the year so we feel confident that this year's sale will be outstanding. With that said, we will need a great deal of help with unloading storage, sorting, and pricing. There will be sign-up sheets the Sunday prior to the sale so you can let us know if you can help. Donations will be gladly accepted however, if you

can save them till the week prior it would help with storage. We will also be trying something new this year. There will be an "early-bird" sale for people who want to shop before the crowd. Shoppers will be given the opportunity to shop a couple hours on Friday evening for a small fee. The rummage sale is always a lot of work, but it is a great time had by all.

Our cookie dough fundraiser is also set for September 19. We will have everyone's favorite flavor and there are a few new additions so watch for the flyers and brochures as the sale grows closer.

Thank you to everyone who has spread the word about our school! We have several church members' neighbors, friends or relatives attending so it's always nice to have "family". Please continue to pray for our staff, children and families.

San Pablo congregation invites you to their 5th anniversary celebration service on Sun., Oct. 30 at 12:30 pm in our sanctuary. Rev. Sue Briner, Bishop's Associate for the Southwestern Texas Synod will be present, and Pastor Paul Ziese will join Pastor Nelson Velázquez in presiding during Holy Communion. Following the service, lunch will be served in the Fireside Room and everyone is invited.

Building Finance Team meets Interviews capital campaign companies

The Building Finance Team, chaired by Dan Bierstedt, met on Aug. 10 and did phone interviews with representatives of two additional capital campaign companies, Kairos and RIS. At a previous meeting the team had done a phone interview with a representative of the Mission Investment Fund with regard to its capital campaign program.

After discussing the interviews and studying the printed materials provided by each capital campaign group, the Building Finance Team will recommend one of the companies to the Congregation Council. With council approval, the congregation will meet and vote to hire the recommended company.

A capital campaign company might first do a feasibility study to determine whether such a campaign would meet the needs of the congregation and how much might be raised for a potential building project.

Members of the Building Finance Team are Dan Bierstedt, chair; Dena Chenault; Bjorn Dybdahl; Cheryl Nickles; Suzette Price, Chris Stone; Bill Sweda and Pastor Paul Ziese.---srp

“God’s work. Our hands.” Sunday is an opportunity to celebrate who we are as the Evangelical Lutheran Church in America — one church, freed in Christ to serve and love our neighbor. The fourth annual "God’s work. Our hands." Sunday will take place on **September 11**. Many of you have participated in the past and we look forward to working side by side again this year. We will have multiple service opportunities planned that Sunday. **We will only have one service on September 11 at 8:30 am and no Sunday School** to allow for the service projects we have planned. Come dressed in your gold “God’s work. Our hands.” t-shirt, ready to serve!

- ◆ **Cookie Donations Needed for this day:** Packaged cookies are being collected for a volunteer activity. They can be dropped off in back of the church on Sundays, or in the church office during the week. These cookies will be used to create trays to take to First Responders. On September 11, volunteers can choose to assemble cookie trays in the church kitchen. These trays can be picked up by participants on their way home, and delivered to a Fire or Police Station in their neighborhood. If you can help with donating cookies, assembling cookie trays, or taking them to a First Responder station in your neighborhood, please contact Brenda Krueger at 210-385-3639 or brenda.krueger25@yahoo.com.
- ◆ **Interested in Volunteering at the Food Bank?** On Fri. or Sat., Sept. 9 and 10, you can sign up to work a shift in the warehouse or the community garden at the San Antonio Food Bank. Please contact Claudia Torkelson if you are interested. There are morning and afternoon shifts in the warehouse on either day. Community garden is morning only. Claudia’s contact info is yogalife_tx@yahoo.com. (underscore after yogalife)

Habitat for Humanity Report

It is that time of year again...back to school, hope for cooler weather, and the season for our Lutheran Cluster Habitat house build. Mac Park will once again participate with our cluster churches including Christ, St. John-San Antonio, Abiding Presence, Grace, Zion, and St. John-Boerne. Our partner on this house is St. Francis of Assisi Catholic Church. We will build in a small area called Hope Village located north of Hwy. 90 and east of Hwy. 151. This Habitat community will include 21 houses this fall and another section in the area will begin in January.

Mac has been paired with our friends at Christ Lutheran as build partners which means that we will work together on Fri., Sept. 30 and Sat., Oct. 1. Each of our teams will need 10 workers each day. Mac will provide the lunch for Friday and Christ will feed us on Sat. If you would like to participate, please sign up with Jeanette or George Pierce. Working on a Habitat house is fun and rewarding so please consider joining in. Since we collected funds in the spring, we will not run another Square Foot campaign now, but of course, if you would like to help us fully fund our half of the Lutheran Cluster house, your financial gifts are most appreciated. You might want to consider offering a gift in honor of a birthday, anniversary, or any other special occasion. What a gesture it would be to celebrate Habitat for Humanity of San Antonio's 40th year of building clean, efficient, and durable homes by helping with the effort and witnessing to God's love in action.

This fall we are partnering with our family, the Rehs. Parents Seh and Beh have two teens at home, Nga-17 and Hsaw-14. They love Habitat and have already helped their older daughter build her home and have put in many sweat equity hours on their own home buying experience.

As Pastor Paul mentioned in a recent blog post, we attended the Faith in Action Team's August lunch meeting and heard an exemplary presentation by South San High School's 2016 Valedictorian, Araceli Garcia, who will enter her freshman year at Stanford University this fall. Araceli let us know how important it was for her and her brother to have the opportunity to grow up in a stable home environment in her Habitat house. The work we do to fund and build homes has an impact beyond what we can even imagine.

Thanks to our Mac Park family and our cluster partners we will have the opportunity to continue God's work through Habitat this fall. Please consider joining the work crew or helping with lunch. ~Jeanette Pierce

Women's group reconvenes

First meeting will be Sept. 8 at 7 p.m.

The Mac Park women's group will meet in the Fireside Room at 7 p.m. Thursday, Sept. 8 to organize for the year's gatherings.

This is a great opportunity to get to know other women in the congregation, learn something new and do service in the community.

Some of the traditional meetings have included assembling Lutheran World Relief health kits, learning more about our faith through a pastor led Bible study and inviting women from other area churches to join in a game of bunco.

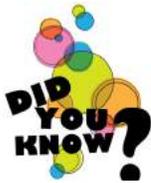

Of course, there are always refreshments. Sometimes it is just cookies and punch, but other times the group does a taco salad dinner.

You are invited to attend! All are welcome.---srp

We are excited to tell you about a new Sunday School class being offered this fall for **kids in grades 3-12**. As we explore new and different ways of providing meaningful and engaging Christian Ed. opportunities, one thing that really sticks out to us is that there is A LOT of musical talent in this group of young people! Because of that, David and I, as music educators and parents of 2 in this age group, are planning 4 classes that will meet during the Sunday school hour throughout the fall. The dates are **Sep. 4, Oct. 2, Oct. 30 & Nov. 27** and the class will meet in Carla Lockett's music room in the portable. This will be the only class offered to this age group on those 4 Sundays.

The focus will be on worshipping and praising God through music; be that playing a band or orchestra instrument, singing, playing the chimes, using rhythm instruments to accompany, playing piano or guitar, incorporating movement to music...the list goes on! No past musical experience is necessary, we just want the kids to be open to trying different things as well as using their God given gifts and shining in the talents that they already have. We also have some pretty talented adults, so may be inviting some of you to join us from time to time to share your talents and knowledge with the group. In addition, the kids will have the opportunity to participate in our church services on 4 different Sunday's this fall. Those dates are Sep. 11, Oct. 9, Nov. 6 & Dec. 4. Although participation in the services is completely optional, we know that their involvement will really add to the services and be very meaningful to the congregation as well as the participants. ~Melissa French-Stephenson and David Stephenson

Mac Park Sunday mornings

Coffee and snacks will hit the spot

Mary Jane Blair had a great idea, and Beth Borstad followed through with it. Have people sign up to bring snacks for just one Sunday. If enough people sign up, it will not be a burden for anyone.

For that one Sunday, the responsible person would:

- *Make coffee for thirty. Set out coffee cups, stirrers, creamer, sugar and artificial sweeteners.

- *Provide an alternative beverage such as orange juice or punch. Set out juice cups.

- *Provide snacks for about thirty people. Try to have a healthy choice and something gluten free. Set out plates, napkins and forks, if needed.

- *Clean up at 10:30 a.m. or after the second service, if you attend that service.

The name of the person will appear in the bulletin on the day the snack is provided and in the Messenger. The names will be listed with all others who have Sunday morning responsibilities.

Suzette Price will be the person responsible for this ministry. Contact her at thewriteprice@gmail.com with any questions.---srp

PROMISE WHEEL

This craft will remind you that God is always with you.

What you need:

- A large round bowl
- 2 large pieces of construction paper
- A pen
- Scissors
- A ruler
- A brad
- A Bible or search engine

What you do:

1. Turn the bowl upside down and trace around it on both pieces of paper.
2. Cut out the circles. Draw a dot in the center of each.
3. On one circle, trace and cut out two 2" squares opposite each other, with the dot in the middle.
4. Align the dots and place the brad through both circles.
5. In the space left by one square, write a fear you have. Then write a comforting Bible verse in the other square.
6. Rotate the circle to a new blank space, and write another fear and verse.

Stitches from the Quilters

Quilter “Dude” of the Month: Bob Hunt (Part VI) He commuted to Austin, Texas to teach classes one week a month. Most of his classes were made up of recently graduated engineers. Wow, Bob, that is truly an awesome responsibility. I would imagine it is somewhat thankless, too. Not everyone is aware of the 24/7 nature of such a responsibility. Thanks, Bob. **(Part VII in October)**

“Bernice Raney’s Double Wedding Ring”

Well, we promised to tell you about this quilt. It seems that Bernice started this quilt while her husband was alive. Then, when he died she put it away until a few years before she passed away.

She finished it and left the quilt to her daughter to be quilted and the money should go to the Mac Park School. Well, it has been quilted mostly by Mary Alice Rupard.

Here we see Pat Richmond explaining to Rosy Giglio how she (Pat) plans to bind Bernice’s quilt. It is going to be done in the scallops.

Never let the moss gather around these ladies (and gent)!

This new quilt is the **“Omy Mae Couffer Diamond Jubilee Quilt”**

Before it is quilted, it has to be basted together to shrink its surface area in the quilting quarters.

So, Mary Alice Rupard is presently basting it and when it reaches the right size, she will begin quilting from the back side!!!!

***Yours in Christ,
Mary Alice Rupard***

Dear Reverend Ziese, "Undie Sunday" was a tremendous success in the eyes of The Agape Ministry. Claudia Torkelson's organizational ability and health conscious knowledge and skills along with the cooperation, support and involvement of the Congregation Council, led by Ms. Suzette Price, made the event an intimate, enthusiastic, enjoyable time that demonstrated your church's continued love and support of Agape.

I counted approximately 350 men's briefs and 278 pairs of men's and women's socks that were donated by the participants at the Sunday event. Our bins are filled for our homeless neighbors to have access to clean dry underclothing and socks. I anticipate that we'll be able to provide socks and briefs for quite awhile. Up until recently a considerable amount of Agape's operating funds were used to purchase socks and underwear, but "Undie Sunday" allows this benefit to continue through the hot days ahead. This charitable event serves as a model for other churches and organizations to help Agape continue its care of others.

In addition to the donated undergarments and socks, your generous church members also contributed \$73.00 to Agape.

Please share the gratitude of The Agape Ministry and its "neighbors" with your congregation. The results of "Undie Sunday" allows the ministry to continue to do a "little more" to help our disadvantaged neighbors.

Your brother in Christ,

Kenneth Mamot, Executive Director
